# Cuddling My Past

👁 17 ✓ 1 ⭐ 2

## Chapter 1 by Story Wars

The past may be bad to dwell on but, I prefer my past over my present. Just recently, my girlfriend, Janet Iona, broke up with me in an attempt to make the popular crowd like her. Of course, I have not mentioned my own name yet I name my ex! My name is Ross Green.

## Chapter 2 by SaintSayaka

I'm so used to putting her ahead of me that it's been a little difficult to function since the breakup. I used to bring her coffee (two sugars, one cream, and just a spray of caramel, damn the extra cost). I used to carry her bags. I was known to give a mean foot massage. All of this, all of this and more for my Janet.

And because of it, I know her biggest secret.

Part of me yearns to release it upon the world. The other still belongs to her. And it is sitting in Trigonometry that will decide which side will be victorious.
